AN ESSENE HIEROGRAMMATE

Who are the hierogrammates?

Within the Essenia Foundation, the Order of Hierogrammates is a department consisting primarily of teams of volunteers and a few professionals.

We offer you:

- an initiation into the Order of Hierogrammates
- a rewarding participation in many publishing and communication projects
- to act concretely for the Essene Nation in an international team
- technical training, if necessary

The initiation into the Order of Hierogrammates takes place under the auspices of Archangel Raphael, during his annual celebration. After the initiation, a document is delivered to each hierogrammate as a sign of membership in this sacred order.

THE STRENGTH OF AN ANCIENT UNIVERSAL TRADITION

The Order of Hierogrammates is at the heart of the Essene Nation. It is a form of priesthood, for the Hierogrammates dedicate their life - or a part of it - so that the Essene Teaching acquires a structured body, clear and accessible to as many as possible.

In the time of ancient Egypt, the hierogrammates were called "scribes" and they are still today the guardians of magical calligraphy and the sacred texts of eternal wisdom. To learn more, read the book *Calligraphie magique* (Magical Calligraphy) for sale on:

Real works to serve the Common Good

Today, the hierogrammates of the Essene Nation dedicate their time to safeguarding and transmitting the Essene Teaching. They collect the works, writings, pedagogical drawings, meditations in movements, ceremonies, sacred songs and dances that are transmitted by Olivier Manitarà. www.en.OlivierManitarà.org

Everything is archived, classified, sorted, organized and made available through books, pamphlets, letters, teaching books, websites, audio CDs, videos...

For any questions, please contact Catherine Communion (France) or Marcel Divine Subtlety (Quebec), Sharline Peace (Haiti), coordinators of the volunteer teams within the
